Dear Josh,

This is just a short note to let you know the sad but not unexpected news of Linda Burnet's death on Saturday, 10th November. I know that you have had a very high regard for Sir Mac over the years, and I dare say he would receive a little comfort from a short note from you.

With all best wishes.

Yours sincerely,

G. J. V. Nossal

If ever there were occasion to ask Mac to lecture at Stanford, e.g. on ageing, this would buck him up a lot. He is planning a trip next (year) summer.
